Each year throughout Northern there is an abundance of new and exciting school spirit. Splashes of Spirit are especially evident during the weeks of Mardi Gras, Homecoming, Snow Extravaganza, and the big game in which Port Huron High and Northern battle it out for the bell. Because time at Northern passes by us so quickly, here is only a glimpse of the special moments we shall all remember.

# Splashes of Spirit Begin Here

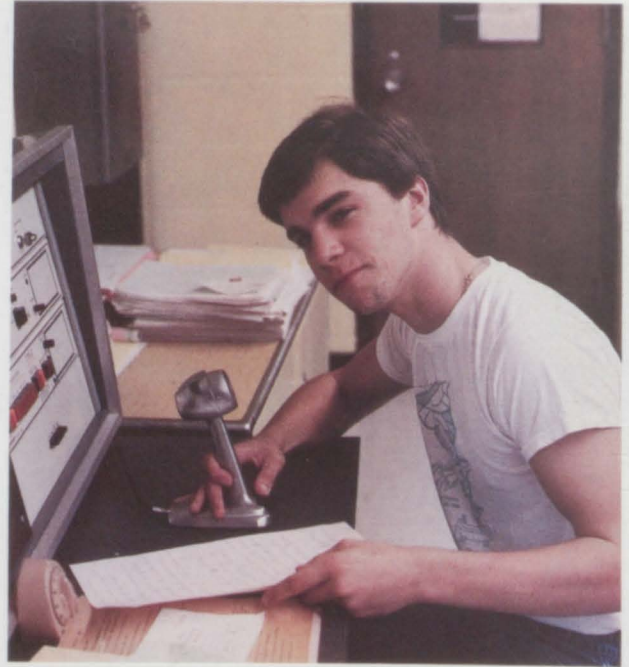

Page 21. Who says freshmen don't have class? 2. Hey, Hey, say, huskie power! 3. Grin and bear it, guys. 4. Steve Amey shows his spirit. Page 3. 1. Huskies pose for the camera. 2. Chew 'em up Huskies! 3. A big blast of sophomore spirit. 4. Just hangin' out.

Mardi Gras has always been a special event to all P.H.N. students. This year was especially exciting when we won the Mardi Gras football game against Roosevelt with a score of 40-13. The building of the walls was an event which showed students' creativity and true spirit. This year's queen, Anne Marie Pelc, felt great honor in representing our school. The week ended with the dance that showed spirit at its peak, as students dressed in costumes revealing great imagination. It was a night filled with unforgettable memories.

# Seniors Sweep Mardi Gras

The superb walls entered around the theme of "Eras" made this year's Mardi Gras one of the best ever. 1. Putting "fourth" their best effort, the juniors chose the "Egyptian Era." 2. The seniors design of the "Goldmining Days" came in first with their fantastic impression of that era. The Seniors sure are going out with a bang! 3. The sophomores chose the "Rockin' Sixties." They took second place, a big step up from last year. 4. The freshmen, depicting the "Chivalry Era," took third place and surprised everyone with one of the best freshmen walls yet.

## "First Day Dilemmas"

1. Joel Moss is our official freshman recruit. Here he is all prepared for his first day of "HIGH" school. He has all his books and most importantly his schedule. 2. Uh-oh! Looks like Joel has got himself in an uncomfortable position! He must have really offended Mike Quinn! 3. It looks like he has cleaned himself up a bit, but now he seems to be having trouble finding a class. Here is Jeff Diguseppe to the rescue. Or is he? 4. Finally, the end of the day! "THANK GOODNESS," says Joel. Just a minute though, he forgot his bus number. NO WAIT! There it is! Hopefully he catches it in time.

Ler me say one thing —

"Berrer luck tomorrow, Joel!"

Honor Graduates

A student's years at Northern are filled with hours of hard work and only a few have met the requirements to graduate with honors. A student with an overall grade point average of 3.5 or above is considered to be an honor student. These hard working individuals often sacrifice their free time in order to receive the top marks. Maintaining a B+ average for every course in which the student enrolls is difficult, but is proven possible by these young adults. Few graduate with this deserved recognition. Port Huron Northern is hoping for as many or more next year.

# A Splash of Spirit

This year's Sophomores came back to Northern prepared. As freshmen they were cautious and restrained, but by capturing second place in the Mardi Gras games, they proved they had lots of spirit to "splash around."

# A Splash of Sophomore Spirit

The Class of 88's sophomore year was an exciting one. They did not win the barrel, but came in second place. Next year winning the barrel is a definite possibility. All of the Mardi Gras events, plus the students' enthusiasm, have made this sophomore year a memorable one. As they say, "They went in with a splash and came out with a splash." Working together, sophomores have made this year a great year, and their junior year should be even better.

# Class Officers

Port Huron Northern's Student Council consists of a representative and an alternate from each homeroom. These elected representatives attend a meeting once a week, decide on important issues, and report them back to their classmates in homeroom.

Student Council is not only meetings and discussions; it also organizes many of our activities. These activities include the Mardi Gras Dance and Mardi Gras Games, Snow Extravaganza, all assembly programs, Honor Programs (Teachers and Staff Day), and the Free Fare Concert to mention a few. Not only do they coordinate social activities, but they also organize charitable projects and fund-raising events. These fund-raising events are completed by donations of the Student Council's time. A few of these events include the canned food drive which they sponsor along with the Salvation Army and The Boy Scouts of America. They assist the Red Cross in the blood drive, put together the Walk-a-Thon for PHAA (Port Huron Athletic Association) and do many other helpful things for various organizations. Student Council is currently involved in the SADD (Students Against Driving Drunk) program.

A very important portion of the Student Council is the Executive Board. This twenty-one member board runs the activities between the weekly council meetings. They thoroughly investigate everything before they are able to present it to be voted upon by the Student Council.

# Band

Following a highly successful 1984-85 season, the Northern band promptly set off to top it. Many long hours of practicing and early morning marching sessions led to a First Division rating in District AA Marching Band Competition. Led by drum majors, Jackie Hossler and Maria Stewart, and flag captains, Janer Colgan and Heather Lewis, Northern received a prestigious invitation to the annual Thanksgiving Day Parade in Detroit. Only ten bands in the entire state are asked to perform in the parade, and we were very proud that our band was one of the privileged few.

The new year sees the division of the band into a wind symphony and a concert band. The future also holds a trip to concert districts and concert state competitions. Individual members will attend the MSBOA Solo and Ensemble Festival, and the Jazz Band will continue to be active and wowing audiences around the area. A major trip might be in the offing, and we wish the band the best of luck in all their endeavors.

# Choir

Walking into the choir room, one will always be greeted by Mr. Norager's smiling face. This year, Mr. Norager had a lot to smile about because his three choirs participated in many exciting events. The Chorale and A capella Choir entertained the intermediate schools in an information gathering assembly for future freshmen.

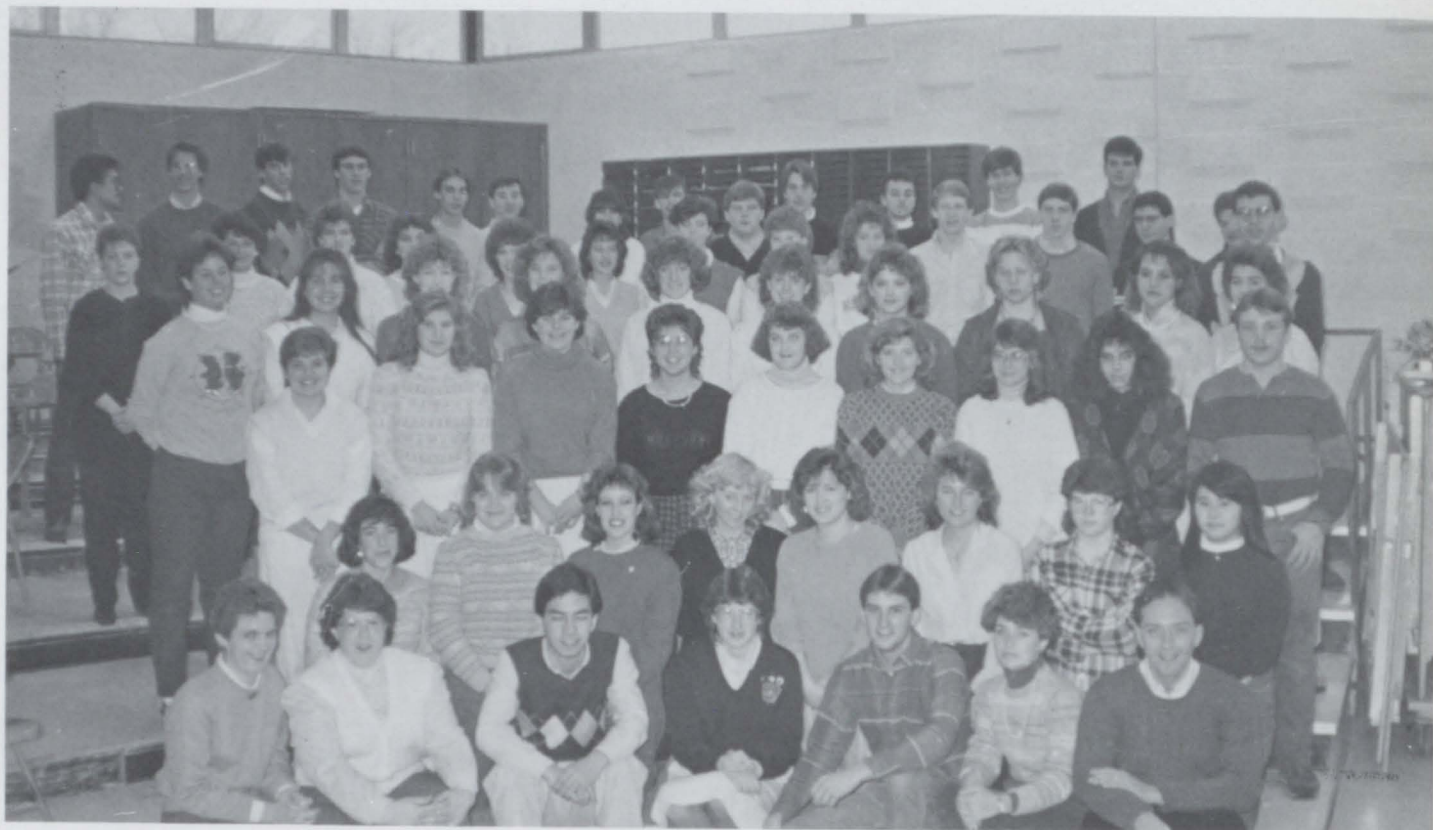

Some of the other events included the Christmas concert at the college, the Solo and Ensemble Festival at University-Liggett, and the Choir Festival at Macomb Community College.

The Mixed Choir will get into the act with the traditional PHN-PH spring concert.

# National Honor Society

The National Honor Society members consist of 65 people. There are 26 juniors, 34 seniors, and five honorary members who are exchange students. These students are selected in the spring in their sophomore year. The advisors are Mrs. Janet Eastmen and Mr. Ray LaBelle.

The NHS is involved in various projects. Their major project is the tutoring service during homeroom. This help is available to all who ask for it.

Eleventh grade members include M. Cogley, R. Coleman, J. Colgan, M. Cope, T. Course, B. Deegan, A. Dempsey, D. Dunn, M. Ellis, A. Force, C. Fritz, S. Green, S. Jurzysa, J. Kessler, D. Marsh, S. # Yearbook Staff

Not many students realize the amount of time and energy that is put into the production of our school's yearbook. The class, Spirit, and many hours after school and at home bring it together. The first year Spirit students are sometimes a little confused about what needs to be done. The second and third year students help out by teaching them to make layouts, crop pictures, and write bodycopy.

In the spring and fall the students are busy selling advertisements to different companies around the community. The sale of ads takes time and patience. Advertisers enable us to keep the price of the yearbook low.

The 1986 Spirit editors are Kimm Massman and John Hale. Mrs. VanderHeuvel is the yearbook advisor.

# WORW

WORW is a non commercial, educational station funded by businesses underwriting agreements and WORW student fund raising projects. The main objectives of WORW are to provide the most realistic learning environment possible for the Port Huron area students pursuing broadcasting or communication interest and to serve the Port Huron residents and businesses.

In November of 1973, WORW-FM began broadcasting at 91.9 megahertz, at the power of 10-watts to broaden its coverage area and increase its listening audience. Throughout September and October of 1984 alot took place at WORW. The station's physical area renovation was completed, and Ms. Susan Simowski was hired as General Manager. In May of 1985 the WORW studio was dedicated to Mr. Robert Trapp, the founder of the station.

WORW broadcasts from 7:00 a.m. to 4:00 p.m., Monday through Friday, following the regular school year. WORW has been able to broadcast during the summer with the help of volunteer adult supervision. WORW has a top 40 format with the emphasis on music. 91.9 F.M. is not just music, there is a variety of special programming both in news and music. Features throughout the day are: local programming, public service announcements and sports on the high schools and intermediate school levels.

It takes many people to run WORW, other than D.J.'s. Some of the people are Station Manager Susan Simowski, Chief Engineer David Huston, Program Director Michael Smith, and Music Director William Langolff. These people all contribute their time and effort to keep 91.9 F.M. running smoothly.

To be a part of WORW staff you must be in the 11th or 12th grade of Port Huron High or Port Huron Northern and have completed at least one semester of speech and one semester of broadcasting arts.

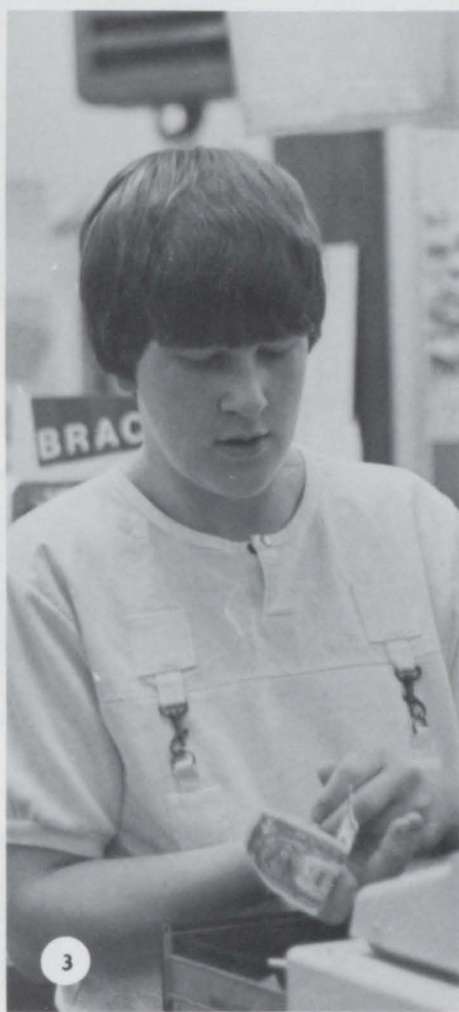

Being part of WORW staff is an interesting and educational experience, as well as being fun. The course is well worth taking.

# School Store

The hot spot at lunch and in the morning before class is known to the students at Port Huron Northern as the school store, headed by Mr. Ed Tinsley and managed by Kathy Campbell. The school store is one of the great things here at Northern. The students from retailing get a chance to have job training while working for a class grade; the marketing students who take inventory have this same opportunity.

The supplies at the school store include candy, auto-motive parts, clothing, and school supplies. The school store is also in charge of the bookstore here at Northern.

# Cheerleaders

P — We're passing through  
H — And here we come  
N — We never stop  
PHN!

The cheerleaders at Port Huron Northern High are a very important factor regarding our school spirit. These ever smiling girls are always ready to cheer our teams on to victory. The cheerleaders sponsor dances, go to competitions, and get the students into a spirited mood at pep rallies. The captain of the team is Krystal Kamendar, and the co-captain is Sue Banning. They put in many hours practicing and have become one big happy family.

# A Long Way From Home

For Albert Mellink, Miguette Daas, Kei Nakakoka, Andrea Romero, and Alejandro Irigo, moving to the United States for a year has been very exciting. They came to a new country, met a new family, and enrolled in a new school.

A few of them did not find the glamour they expected, but they did find friendship and a different way of life which they liked. They enjoyed going to school at Port Huron Northern High and making new friends.

These exchange students have left to return to their native countries, but they will be remembered by the many people who knew them.

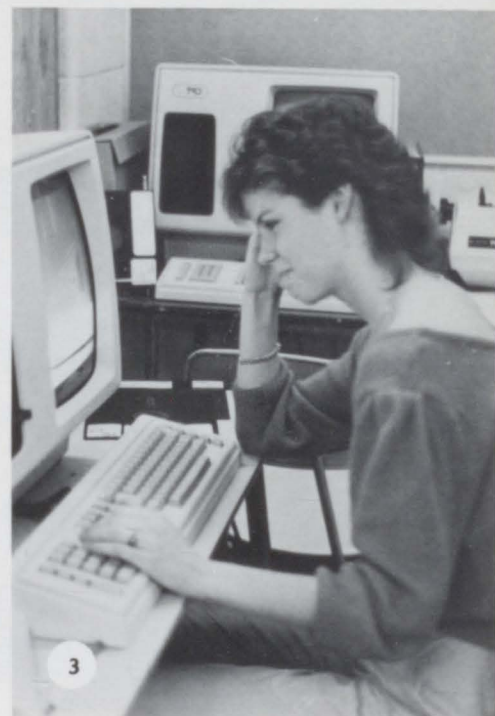

1. Alejandro "Alex" Irigo (Spain), Albert "Tjise" Mellink (Netherlands), Miguette Daas (Netherlands), and Kei Nakakoka (Japan), giving Andrea Romero (Colombia) a lift. 2. Stacey Kurzweil in St. Georgen, Germany. 3. Double Trouble!

# BOEC

The Business Office Educational Club is a vocational student organization for high school students who are enrolled in vocational business and office programs. BOEC provides the recognition of individual members and chapters for involvement in a variety of programs designed to develop leadership and office skills. The class is made up of juniors and seniors who are currently enrolled in the clerical-steno block or office related classes. Northern has had BOEC for four years under the leadership of Ms. Knapp. The 1986 officers are: President, Noel Beeler; Vice President, Michele Zeller; Secretary, Kathy Cenci; Treasurer, Dawn Dinsdale; and Historian, Renee Collinge. Approximately 20 students a year enroll in this class. BOEC is a great program designed for learning, but at the same time for having fun!

Looking for a job can be the most frustrating experience in a student's life. Either one is unqualified or unskilled. But with the help of Northern's CO-OP program a student's problems may be solved. Mr. Alan Gable may be the man to see. He can place a student in a field and train that student to become a qualified and skilled worker. Also, the student gets the chance to work with people, earn money, and get experience all at the same time. The student is graded on personality, appearance, job ability, and how well he or she works with others. CO-OP is a fun, educational, and worthwhile program. A student's future can begin with CO-OP.

# Equestrian Team

The Port Huron Northern Equestrian Team finished their fourth season in the district.

Points were accumulated by 18 members, who competed in four events — Western, Hunt Seat, Saddle Seat and Gymkhana.

Mr. Robert Mattson sponsored the Equestrian Team. The coaches were Lisa Carr and Lori Johnson. The officers were President, Lisa Lockwood; Vice President, Andrea Yeip; Secretary, Laura Lockwood; Treasurer, Kelly McCracken.

# Bowling Club

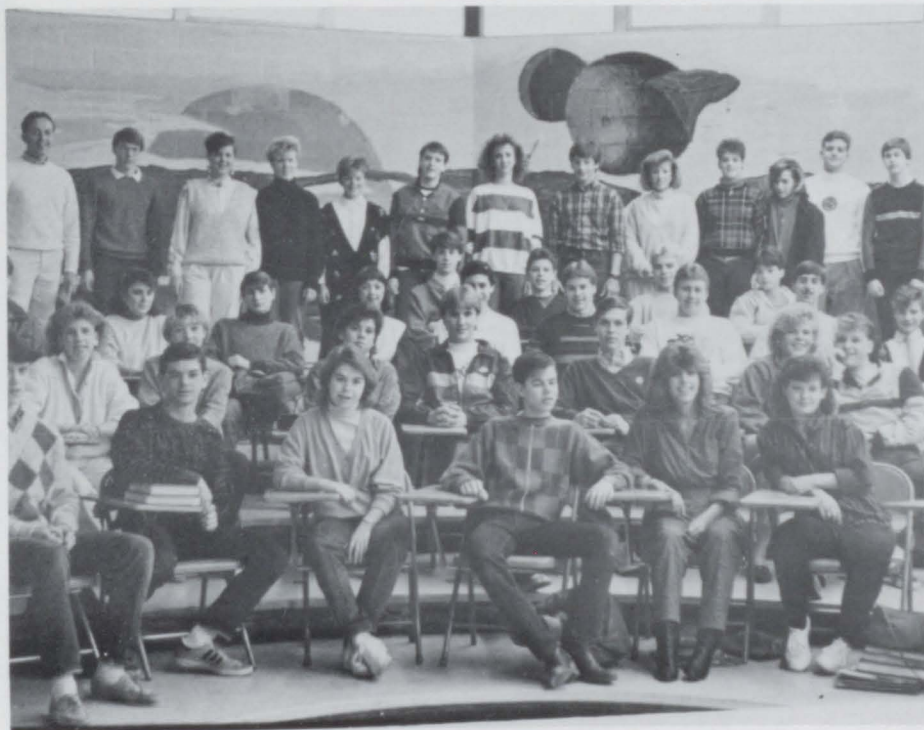

Northern's 1986 Bowling Club consisted of fifteen members who were divided into five teams of three members each. Every Tuesday from September until April, the teams would meet at the Bowl at the Bridge to compete against one another. This year's president was Doug Droulliard; vice president, Mike Koehler; secretary, Sam Mclhagga; and treasurer, Keith Latterell. Keith Latterell had the best overall average.

# Ski Club

The Ski Club is not a school sponsored activity, but students meet after school and plan to go on trips as a group. Anyone is able to participate in the Ski Club.

A couple of times Northern and Port Huron High have combined their trips. When the two school combine their activity, 90 students attend.

Alpine Cycles has helped set up the places to go downhill skiing. The downhill skiers have planned eight trips. In January, they went to Blue Mountain in Collingwood, Ontario. They also went to Caberfae during mid winter break. These were the two biggest trips they had.

Mr. Meeker and Mr. LaBelle are the sponsors of the Ski Club.

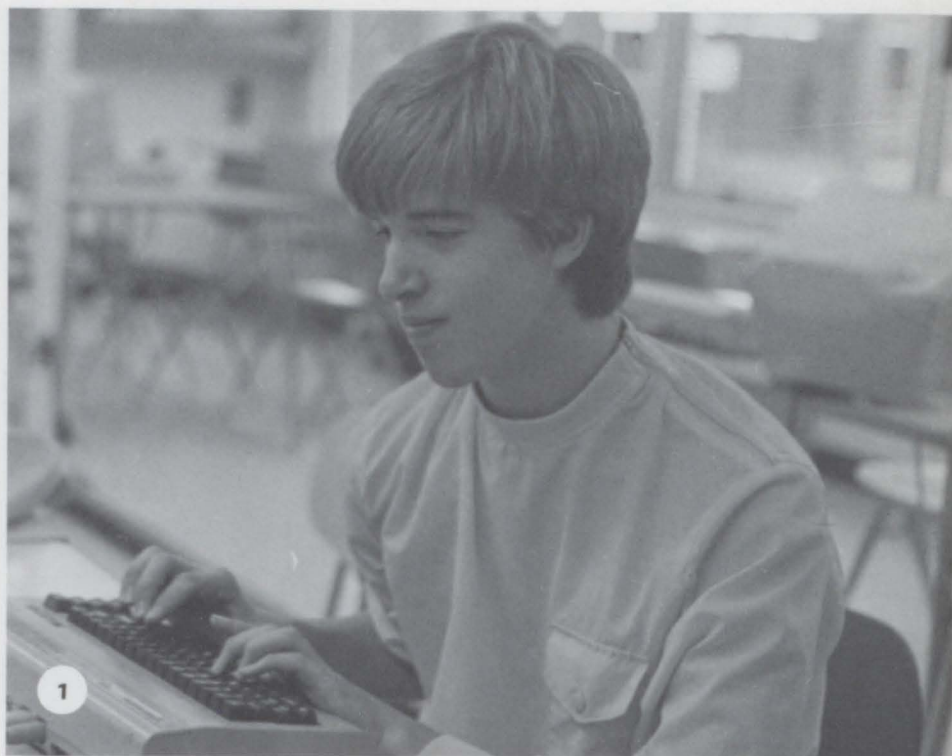

# Computers

As a result of the rising popularity in home computers, and more importantly the job industry, the Northern computer class was started several years ago. The importance of computers in all our lives makes computers an important class to take in high school. There are two classes offered here at Northern: Introduction to Computers and Computer Programming. The Introduction to Computers class spends most of its time learning about logic, binary math, and different programming languages. The programming class spends time writing programs. Mr. Tala-day is the advisor in charge of the computer program at Northern. The students work with Commodore 64 computers and learn the "do's" and "don'ts" of computing. This class is a vital part of the building process and should be taken by all students who are interested in computers as well as going on in the job field.

1. Dave Peel types in a program.

# Electronics

Electronics is one of our industrial courses here at Northern. It can be taken for one or two years. The instructor is Mr. Johnson and his program consists of the fundamental concepts of linear to digital electronics. The first year class can be taken by sophomores, juniors, and seniors. The first year students can expect to spend time learning basic electronic laws. Second year students can expect to advance to digital techniques and micro-processing. There is a definite future in electronics. Eighty-five percent of the students will go on to job related fields, and some will go on to college. Northern electronic students have a very good record in state competition. They have consistently scored third place or above, and they have had a state champion every year. Electronic students should be praised for their dedication and effort put forth in the class.

2. Lori Warner taking a test.

# Drafting

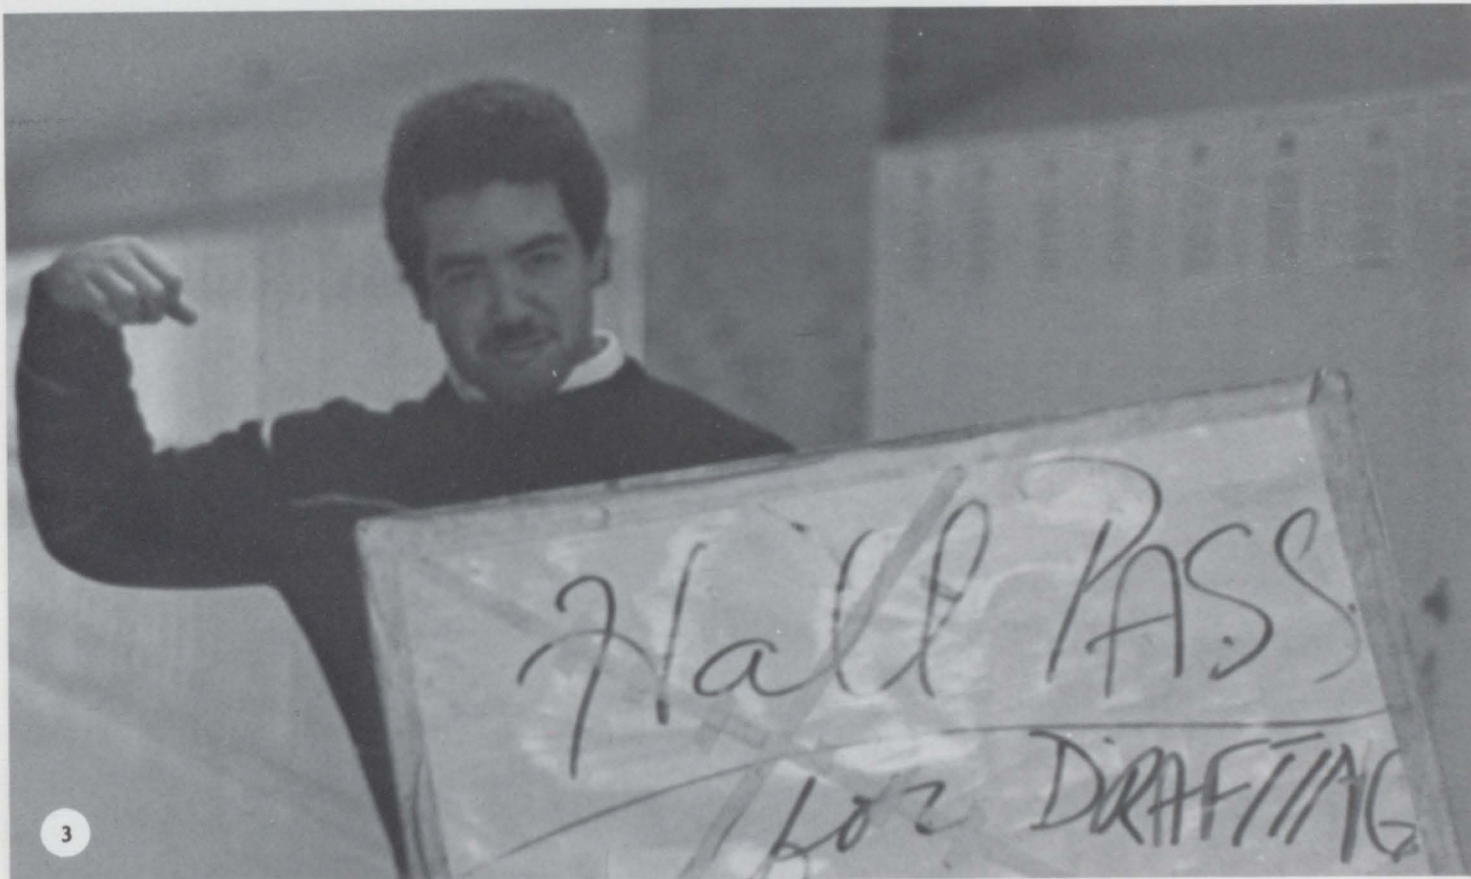

Drafting offers individuals the opportunity to explore career choices and gain the skills and knowledge necessary for employment in our growing technological society.

There are many exceptional job opportunities for young men and women to build and create new ideas for our growing needs.

Drafting courses are best taught through a step-by-step path of group and personalized instruction. Skill development through laboratory experiences and classroom instruction is also important. Mr. Anderson teaches this year's drafting class.

1. Jim Gorinac takes the time to do it right. 2. Ready for some help. 3. There is no questioning this man.

# Home Economics

The selection and preparation of food products, along with the proper use and care of cooking utensils, are taught hand-in-hand with serving and arranging techniques. Safety and cleanliness are stressed along with cooperation and the management of time and resources. Foods class is a part of the Home Economics Department, along with other courses that are not as well known. Creative Stitchery is one such class where students learn and later work to improve skills in all areas of stitchery.

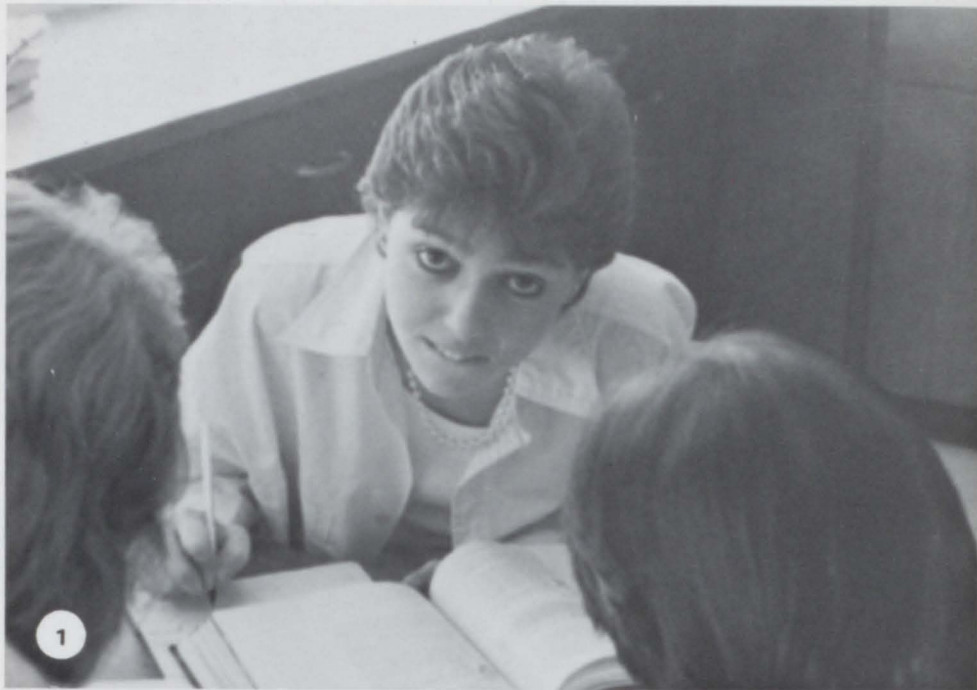

Living in Today's World stresses the social skills which will help students be successful in the adult world. Learning to understand one's self and one's family, setting goals for the future, and helping make the necessary decisions of life are just part of the over all goal of this class.

Child Development helps students understand children and their behaviors and gives them suggestions on raising and caring for children.

Developing money skills and learning how to be a wise consumer is what Money Management is all about. Students learn the proper way to save and invest their earnings.

Contrary to the popular belief, Home Economics is not just sewing and cooking. It is living, learning to get along with other people, developing a sense of personal worth, setting realistic goals, and learning to make responsible decisions.

1. "Excuse me," says Crystal Tomlinson, "but I am trying to work." 2. Kim Kurzweil and Becky Fayed having a blast cooking. 3. "I can't find the pans"

# Woodshop

Students are taught safety rules before entering the shop. In the beginning wood shop course students can make T.V. stands, rambour clocks, wall clocks, jewelry boxes, and gas powered airplanes. Advanced students can make more complicated wall clocks, jewelry boxes, rambour clocks, and archery organizers. When the projects are completed, students receive profitable sums of money for their work.

1. Dan Murray polishes to perfection.

# Auto Mechanics

Auto Mechanics involves students in the repairs of cars and trucks. Mr. Esterline is the Auto Mechanics teacher. The students learn many skills from charging tires to repairing major engine problems. This job area can accommodate everyone's interests because of all the aspects of the automobile industry.

Cars have been a part of our lives for a hundred years and will be for hundreds to come. As long as autos are a part of our society, auto mechanics will have a place in it.

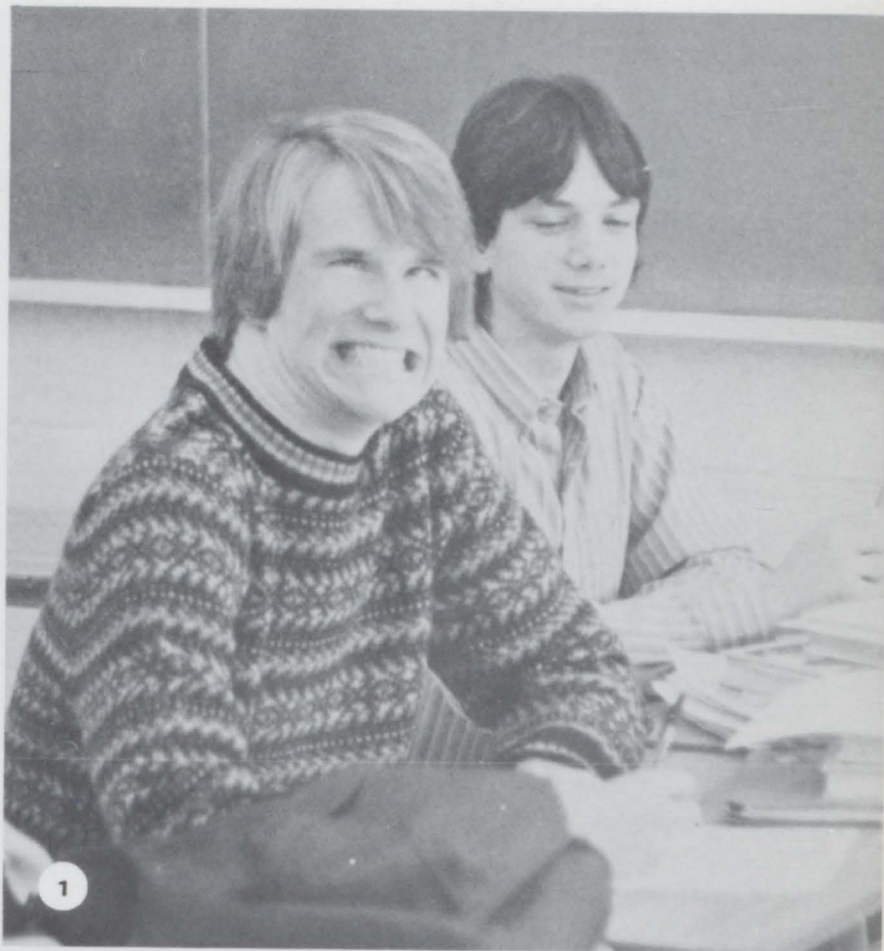

2. Bill Shirkey works on the engine, while Trevor Graham and Mike Sanderson watch and learn.

# Foreign Languages

The Foreign Language Department offers students French, German, and Spanish. Students are encouraged to take four years of a particular language to attain a greater language fluency. In the first year of a foreign language, the emphasis is placed on vocabulary and speaking techniques, with basic grammar and writing skills while at the same time, keeping students interested in learning new vocabulary. Third and fourth years of foreign languages place the majority of the emphasis on reading and writing skills. Special projects, cultural foods, and visual aids all add to the enjoyment of learning a foreign language.

1. Tom Moore thinks Spanish is a pain. 2. Frau Hesterburg plotting to give her German students "short" quiz. 3. Mr. Ryckewecz's French class sampling European cuisine.

# Photography

Photography has gained much popularity among students. The students learn how to use a camera as well as camera position techniques. The student must have access to a camera for shooting pictures.

The first six weeks a project is due on different picture techniques. The second six weeks, six different research papers are required along with different styles of pictures. The third six weeks a thousand word essay and an 8 x 10 picture for a final project is required.

1. Bill Symington looks over the negatives he has just developed.

# Art

Pott Huron Northern High School has a variety of art courses available to the students.

Art I and II teaches the basics of poster and abstract drawing.

In Three-Dimensional Design, students are taught to draw buildings, cities, and towns using horizon lines.

Advanced art courses teach the more complicated aspects of drawing and painting. Students are taught to mix and use color creatively.

Selected art projects are sent to local competitions to be judged. Winning selections are sent to Washington for further judging and competition.

# Academics

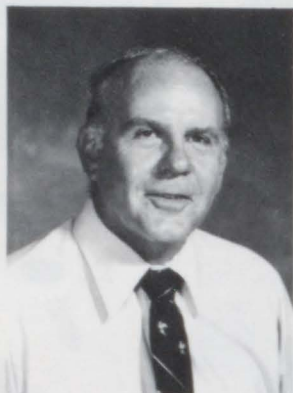

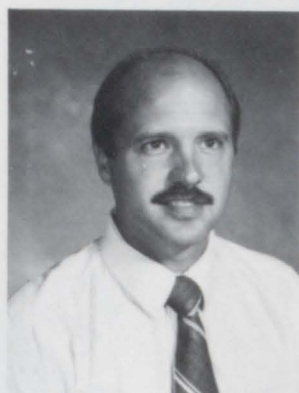

# Administration

This year PHN has a new principal, Mr. James Goldsworthy. Last year he proved to be an effective, yet understanding, assistant principal. This year we have the privilege of having him as our principal. All the students like and respect him because of the way he

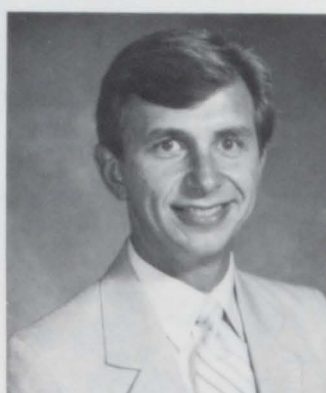

succeeds in coping with all the problems the students bring to his attention. One of his goals as principal is to make our school a more spirited place. Good luck to you, Mr. G. You are doing a great job!

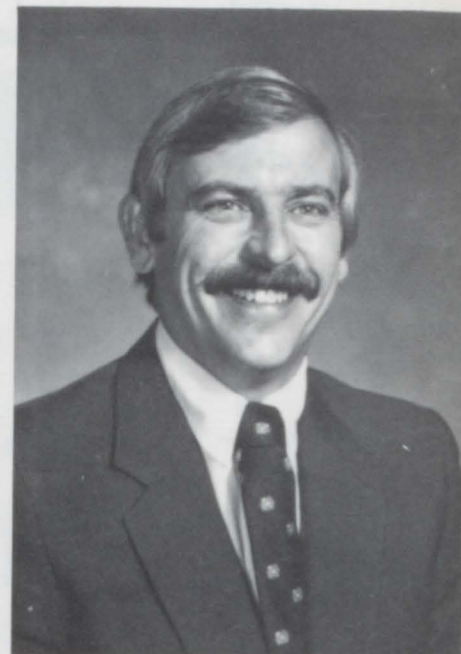

Mr. Dickinson

Mr. Burnell

Mr. Chapman

Mr. Goldsworthy

## Assistant Principals

PHN's assistant principals have many responsibilities to carry out. Our three assistant principals at Northern High School are James Dickinson, James Burnell, and Richard Chapman. Mr. Dickinson's responsibilities include attendance and student discipline, supervising the building while Mr. Goldsworthy is away, and being in charge of the department chairpersons at our school. Some of Mr. Burnell's duties are being the athletic director and taking care of attendance and student discipline. Mr. Chapman is a very active man. His obligations comprise the parent news letter, senior activities, substitute teachers, I.T.I.P., scheduling driver's training for students, report cards, and lunch room supervisors.

These three assistant principals help keep our school running smoothly.

## Department Chairpersons

The administrators are special people. They all work hand in hand keeping the school working smoothly. All of these fine people have an abundance of patience and understanding with staff and students alike. Thanks goes to these administrators.

Mr. R. Elliot, Mr. E. Tinsley, Miss R. Meyer, Mr. S. Renner.

# Counselors

Students, with their many problems, are always going to their counselors for help and advice. The counselors help the students choose their schedules for the next school year. They try to advise them of courses the students may need to go into their choice of careers. The school is a better place to study and plan the future with these kinds of people helping us when we need them.

Left to right, Mr. R. Morehead, Mr. E. Dunbar, Mr. H. Buckoski, Mr. D. Soule, and Mr. R. Mattson, Seated is Miss P. Austin.

# Secretaries

The secretaries of PHN are always at the core of all the hustle and bustle of our school. They are all expected to do everything, from typing letters to reminding the principals and assistant principals of the very important meetings they must attend. What would we do without these important ladies?

# English Department

In the words of Edward Morgan Foster, "English Literature is a flying fish. It is a sample of the life that goes on day after day beneath the surface; it is a proof that beauty and emotion exist in the salty, inhospitable sea." A study of our literature heritage includes English, American, and world authors which gives us an understanding of life.

English also includes grammar and composition. Learning all the "little" rules and exceptions to the rules can occasionally seem unending, but spending time learning the rules will eventually be worth the effort.

# Math Department

In today's technical world, knowledge of math is an important asset. Math teaches a student to think logically and to work accurately. Courses offered at Northern provide a student with everything from a basic knowledge to an advanced background for future use in a career or in college. Math may prove to be a struggle, but the hard work could well be worth the effort later in life.

# Science

Life is a bowl of science. A person is scoped up into a world of high technology and into a complex environment. Science can, in fact, turn into a challenge, as one learns about the physical and chemical environment. Taking science classes provides a rewarding experience, for science is involved in many career choices.

# Foreign Language Department

"Bonjour," "Buenas Dias," and "Guten Tag," are three different ways to say, "Hello," to someone in French, Spanish, and German. Taking a foreign language during a person's high school days can prove to be an asset either in traveling or participating in an exchange student program. These three languages are offered as electives. Taking a foreign language sweeps a person into a totally different culture and lifestyle.

# Fine Arts

Northern's Fine Arts staff offers an exceptional program for students who are gifted either musically or artistically. The bands, under the direction of Mr. Schwalm, have won various awards and honors for their outstanding performances at state and national levels. The choirs, under the direction of Mr. Norager, have also received their share of triumphant awards. Finally the Art Department, under the leadership of Mrs. LaBeau, has contributed many quality works that have been admired in the showcases of Northern's halls. A number of her students have received awards of highest recognition.

Mr. M. Schwalm and Mr. T. Norager. Not pictured, Ms. J. LaBeau.

# Vocational

Northern's vocational program's allow a student to experience the feeling of employment. They prepare the student for the challenges faced in today's job market. Whether a student wishes to be the Beethoven of the typewriter, or the Fonz of the automobile, Northern's vocational courses will present the knowledge the student will need.

# Social Studies

A sense of humor is one thing teachers in the social studies department do not lack. The teachers have the ability to keep the students interested. In POD class, the view on discussions is not all serious. In addition, occasionally a class breaks their daily routine by joining another class to play a quiz game for newspoints. Advanced history classes participate in college bowls. This activity challenges one's mind, making the quest for learning fun.

# Gym

Several different classes are available in the gym department. A student can improve his physique by participating in one of Northern's weight classes. If physical exercise and nutrition are the student's preference, the student will most likely enjoy keeping fit with the nutrition and body class. In team sports and individual sports classes, the students will be taught the rules of several games. In addition, they will be taught how to become better players. In all gym classes the students are assured to have fun.

# Special Education Department

The Special Education teachers are indeed what they are called . . . special! They help and influence students who need an extra hand in their work. These teachers are very encouraging and patient.

The special educational classes have been a part of Port Huron Northern's curriculum for many years in an effort to provide an opportunity for success for all students.

Front row: Mrs. C. Riesbeck, Mrs. J. Guske, Mrs. S. Lamarra, Mrs. S. Hein. Back row: Mr. J. Verrese, Mrs. M. Metz, and Mr. Wm. Murray.

## Librarians

Miss Boyd and Mrs. Fick are in charge of the library, and they are always there to help find that certain book or that certain article in a magazine that a student needs.

This year they have decided to try something new. They have taken all of the jobs that need to be done and divided them between themselves. This new procedure allows them to be more efficient and to get more work done, but they will always stop what they are doing to help a student find what he needs. Helping students is what they like to do the best. Mrs. Fick has also started a reading club this year. The club meets once a week, and the members share ideas about the books they read.

Miss B. Boyd and Mrs. J. Fick.

# Custodians

It is 5:30 in the morning and all is dark and quiet. Suddenly there is a click, then a slow squeaking as a door is slowly opened. It is Dave Jex, our morning custodian, opening school for another day of work, fun, and excitement.

Where would our school be without the caring custodians who keep the school in tiptop condition? They keep our school clean, they service athletic groups, and they provide service for the kids. They enjoy working with the kids, and we enjoy the work and special projects they do for us.

# Cooks

Welcome to Alice's kitchen! Just smell the sweet aroma of those delicious rolls, cookies, chili and soups being made from scratch.

Sometimes we forget to appreciate manager Alice Dillon and her cooks who start their days at 5:15 in the morning and end their days at 1:30 in the afternoon. They prepare food for not only Northern, but also for nine other surrounding area schools.

Each day, approximately 2,500 students enjoy the efforts of Alice and her helpers.

Thanks, Alice! You and your helpers are appreciated by all of us.

# Men's Freshman Football

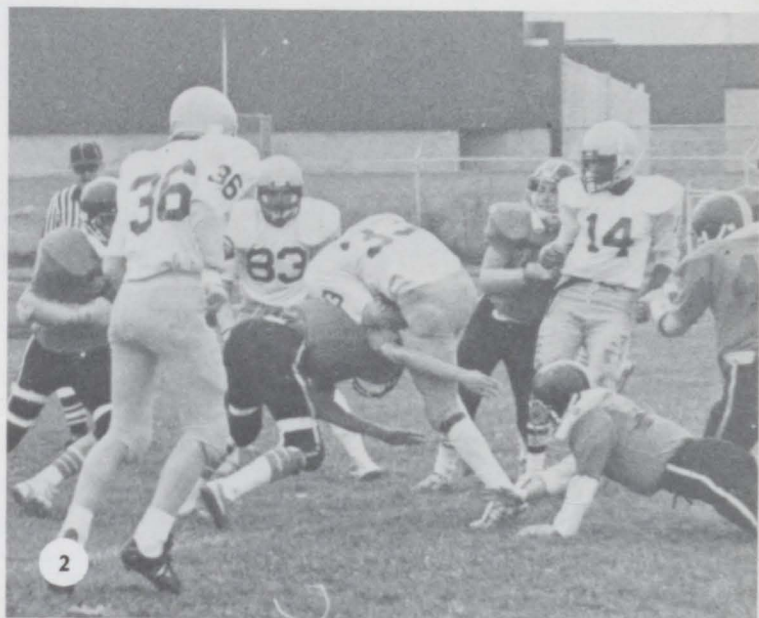

## Our Winning Team

Our Champs, The Port Huron Northern 1985 Freshman Football Team, coached by Mr. Dan Hanton, Mr. Dana Pool, Scott Becka, and assisted by Mr. James Dickey, Dan Greho, Bob Ross, finished with an excellent season this year. The young Huskies did an outstanding job finishing an 8-1 season of play which set a new school record for the best record in a season.

The scoring was led by Lafonze Jackson ending with a total of 70 points. Andy Collins followed with a season total of 39 points. The Freshman Football Team ended a terrific season and are expected to play as well next year.

# Men's Junior Varsity Football

## An Outstanding Season

The Junior Varsity Football Team, coached by Richard Baker and Jim Dares and assisted by Mike and Pat Pearson, completed an outstanding 1985 season. They tied the school record for most wins in a season. The Junior Varsity Team finished second in the E.M.L. with a 6-1 record and 8-1 record over all. They also were city champs by beating Port Huron High 30-25 in the last five seconds.

Quarterback Steve Fox led the team with a season total of 58 points, while Todd Morgan followed with 52 points.

Coach Richard Baker said he found the Marysville and Port Huron High games the most exciting. Both wins were come from behind victories. The Huskies were down at the halftime in both games but fought hard and battled for satisfying victories.

## Team Second in E.M.L.

The 1985-86 Golf Team, coached by Mrs. Marianne Lyszak, came in second in EML competitions with a record of 7-3 with an overall record of 11-3.

Scott Wilbrett and Matt Yanik were the two co-captains this year. Scott Wilbrett was picked for sixth man on the EML League Team. Matt Yanik and Troy Saunby were on the secondman team. Matt Yanik was selected by the area coaches to be on the All Area Golf Team, which consisted of only five players. In the EML Team Day Tournament, Troy Saunby had the best score of 79 with Dave McElroy following a close second with a score of 82. WAY TO GO HUSKIES!

# Wrestling

## Pin Them, Boys!

The 1984-85 season was one for rebuilding, while 1985-86 was a season for accomplishments.

A few of the wrestlers that excelled in their own weight categories were Jason Klink wrestling at 198 lbs. with 20 wins and 4 losses, Richard Spirling at 185 lbs. with 11 wins and 10 losses, and James Visga at 105 lbs. with 12 wins and 12 losses.

At the Eastern Michigan League Wrestling Tournament, the wrestlers did an excellent job. Jason Klink took second place winning a silver medal, and Richard Spirling placed third winning a bronze medal. The varsity finishers were Dan O'Sullivan at 93 lbs., James Visga at 105 lbs., and Rico Castillo at 145 lbs. They all placed fourth in their weight division. The junior varsity finishers in second place were Mike Baker at 185 lbs., Dave Hoag at 155 lbs., Don Hudgens at 145 lbs., and Troy Lutz at 198 lbs. Ed Thomas at 138 lbs. placed fourth.

Having a devotion for wrestling can further a student in strength, endurance, coordination, and the ability to handle one-on-one problems. This year's wrestling team proved this statement to be true.

# Women's Varsity Tennis Team

Second in E.M.L.

The Varsity Tennis Team had another extremely successful year by placing first in the Flint Carmen Tournament, the Flushing Tournament, and the Holly Tournament. The girls showed again that their team was one of the best in the state by coming in third place in the State Regional Tournament.

The dual meet season ended on a victorious note with an eight win, four loss record. Senior Sue Moore was awarded a first in Single's Competition and was named Most Valuable Player. Seniors Amy Kettlewell, Angi Liss, and Lisa London all tied for the best team record of 19-5. Congratulations to Coach Al Wright and the Women's Varsity Tennis Team for a truly outstanding season.

# Women's Junior Varsity Tennis Team

## A Highly Successful Season

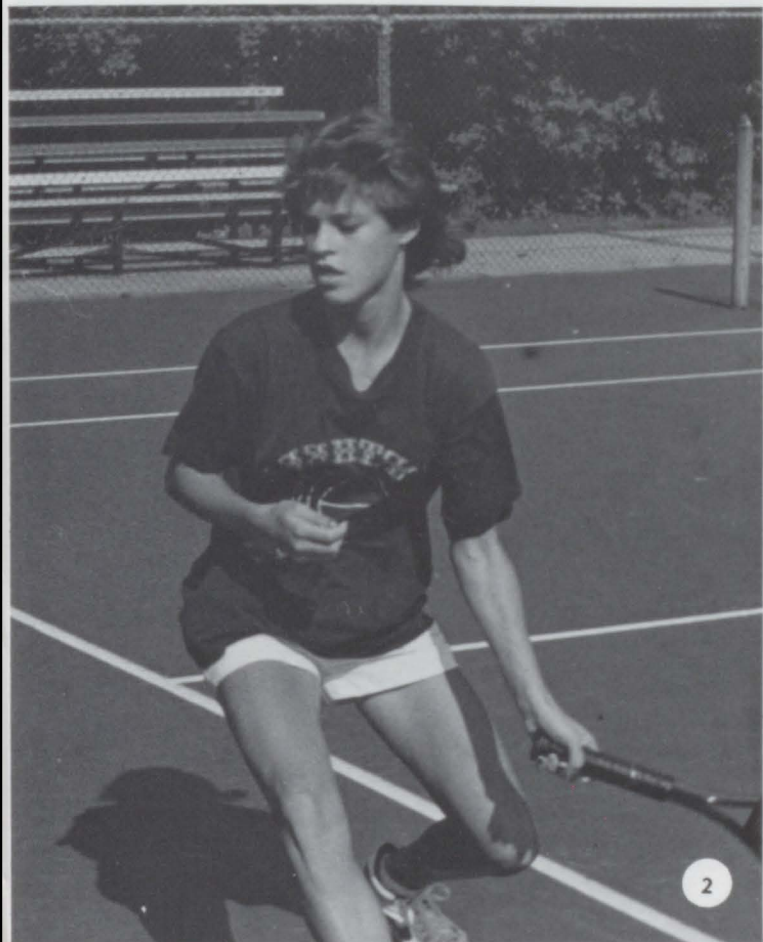

The Junior Varsity Tennis Team ended with a superb record of ten wins and three losses. The women suffered disappointing losses against Grosse Point North and against Grosse Point South, but the team came back strong shutting out Port Huron High twice.

Sophomores, Sarah Engelgau, Yvonne Faucett, and Amy McElroy were outstanding individuals. The remainder of the team also deserves a hand for a good show.

Al Wright was coach of the Junior Varsity Women's Tennis Team this year. Showing superb coaching ability, he brought about a truly improved team for this season.

# Men's Varsity Tennis

## Tennis Anyone?

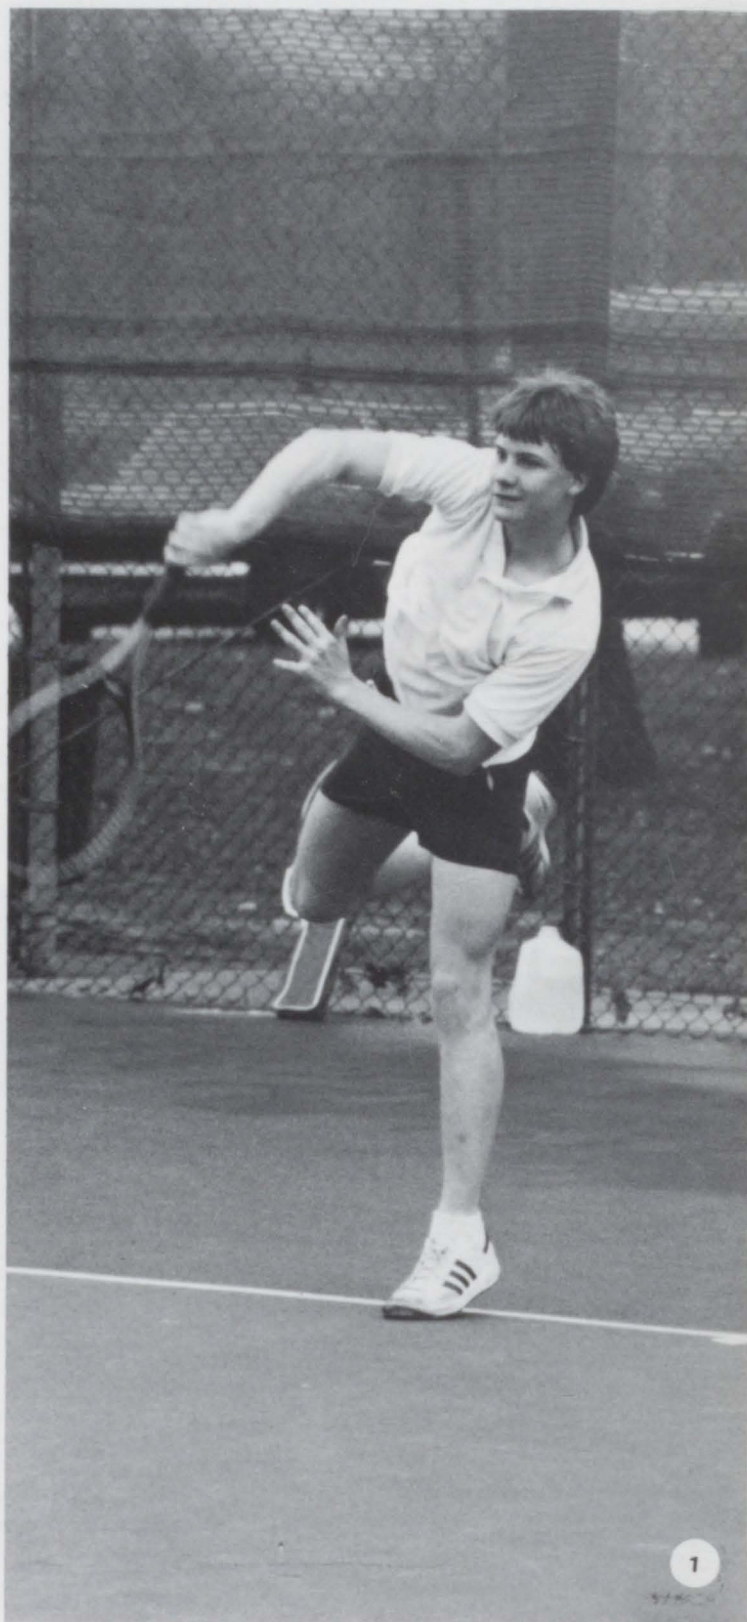

The Port Huron Northern Men's Varsity Tennis Team had an outstanding year in 1985. The season left the team members and Coach Al Wright a fine record. In tournament competition, the team placed first in the Sr. Clair Tournament, second in the Fraser Tournament and Eastern Michigan League Tournaments, and third of twelve teams in State Regionals. Overall, they had a season record of 10 wins and 3 losses.

A few individuals had many outstanding accomplishments as a result of their performances. Guy Adams was the Fraser Tournament Champion and the E.M.L. All League Champion. In doubles competition, Brian Austin and Dan Wilhelm were All League, Regional, and Sr. Clair Tournament Champions. They had an overall record of 23 wins and 2 losses.

The Men's Varsity Tennis Team was reinstated this year after being absent from Northern's sports schedule for five years. Tennis was popular this year and is expected to gain even more popularity among Northern students in future years. Port Huron Northern can expect many winning tennis seasons in the years to come.

## Let's Go Huskies

"Dribble it, pass it, we want a basket!" That was the spirit of the 85-86 Varsity Basketball Team, coached by Mr. Dan Anton. Mr. Hantron's comments on the team and the season included, "The coaching staff is looking forward for an improved year during the 86-87 season."

This year's team captain and leading scorer was Jim Foltz with 226 points. Chris Carlisle and David Mercurio were selected to the Eastern Michigan League honorable mention list. Sean Shagena and David Mercurio led the team in rebounds with 148 and both will be returning next year.

With the Huskies' spirit, the upcoming seasons can be the best ever.

## Swish!

The 1985-86 Junior Varsity Basketball Team slammed into the season hard working and ready for victory. Their record was 2 wins and 18 losses overall and 1 win and 13 losses in the EML. The men that led the team were Matt Jamison, Mark Collard, Lee LaVere, A.J. Foltz, and Tony Bonacci. The team hustled very well defensively and was able to run multiple defenses. They played both man-to-man and zone defense. The team had difficulty on offense because of a lack of patience. The team ran a rotation type offense with a post man. Being a hard working team, they are looking forward to an improved record in their Varsity season.

## Shoot That Hoop

The 1985-86 Freshman Basketball Team was very hungry, always striving for success. The hard practices were one of the reasons for the winning record. The team played as one, finishing the season with 10 wins and 5 losses. The most aggressive players of the team were Jeff Steinhauer, Brian Smith, and Mike Jemison. Jeff Steinhauer led in steals with 22, followed closely by Mike Jemison with 21. The leading scorers were Mike Jemison with 114, Matt Cheney with 108, and Paul Pencak with 94. The attitude of this team was superb; their great attitude was probably their strongest asset. The team was coached by Al Wright. Coach Wright believes in teaching fundamentals at this level. A great deal of improvement was shown throughout the season. Coach Wright also added that the team will go on to become one of Northern's best varsity teams.

## A Year of Experience

The Northern Varsity Women's Basketball Team coached by Mr. Joe Verrese, has finished their E.M.L. season of play. The Husky team consisted of ten girls ranging from 10th-12th grade. Due to lack of playing experience, the team ended the season with a 0-21 record.

Seniors Laura Elliott and Janet Wyllie were captains and showed good leadership to the team.

Sophomore Stacie Schoenburg led the Huskies with a total of 71 points. Laura Elliott and Cindy Kane both had a total of 54 points.

Senior Laura Elliott was voted Most Valuable Player, junior Andrea Adolph was voted Best Defense, while sophomores Stacie Schoenburg and Michelle Peek were voted Most Improved. Junior Susan Odgers was also voted Sparkplug of the team.

The Husky team is looking forward to a strong team next season.

# Women's Junior Varsity Basketball Team

Basketball is a highly specialized sport that requires intense concentration and hard work to reach perfection. No sport displays the coordination or physical endurance more than two well-trained basketball teams.

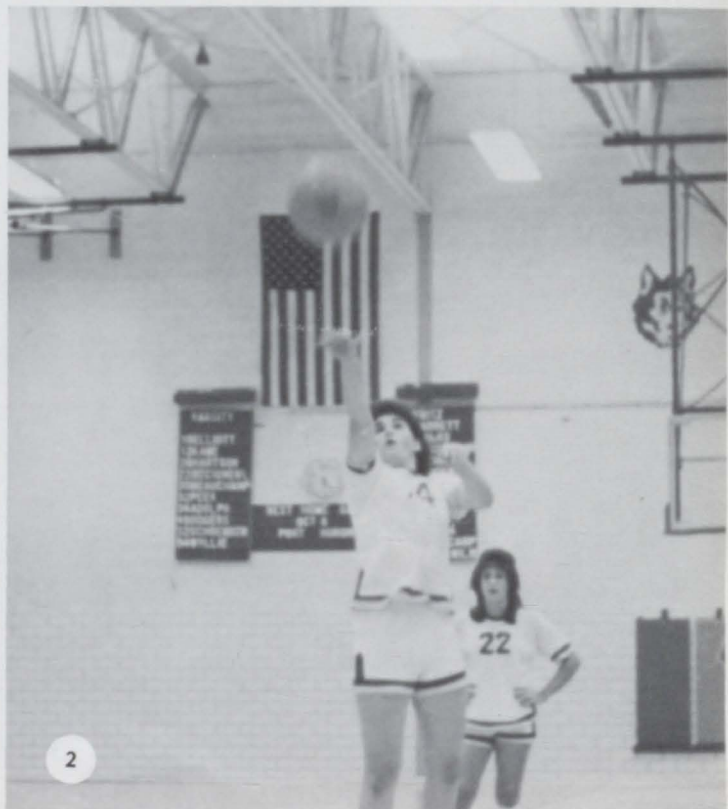

Here are some comments from the coach, Miss Lynn O'Dell. Overcoming their lack of experience the Junior Varsity Basketball Team improved tremendously and developed into a sound basketball team. The character of this team set them apart from many others. Their determination, hustle, and "never say die" attitude was inspirational and enabled them to win some games and stay close in others. This attitude combined with practice will enable them to help improve the basketball program next year.

The leading scorers and rebounders were: Bersy Wilhelm with 97 points and 181 rebounds, Carry Beigineul with 76 points and 106 rebounds, and Maggie Carey with 74 points and 89 rebounds. The team's overall record was 5 wins and 9 losses.

# Junior Varsity Volleyball

The Junior Varsity Volleyball Team had a very successful season as depicted in their improved skill level, 3-hit attack style of play, competitive attitude, and winning record (9 wins, 8 losses). The team has an even mixture of freshmen and sophomores; however, the experience and leadership were provided by only four returning players.

The co-captains for this year's team were Lisa Davey and Tiffany Gombos. They, along with Jeanne Beauchamp, provided practically all of the setting rate. Although everyone contributed in spiking, Amy Revoir, Becky Schneider, and Angie Betts were the team's most successful hitters, having a good spike 75 percent of the time. Marcy Philco was the team's top server, she had 192 good serves out of 212 (91%) while also scoring a team high 135 points.

The J.V. Volleyball Team will provide head coach, Ron Davey, with some good building blocks on which to build a successful varsity team.

## Setting High Standards

Coach Davey had set his standards very high this year by reaching for a goal of ninety percent successful serves. The team proved that they were willing and able by surpassing this goal and obtaining a ninety-one percent. Because they were victorious over the toughest competition, Gross Pointe South, the 1985-1986 Volleyball Team now knows the meaning of, "When the going gets rough, the tough get going."

## Fighting Hard for the Huskies!

The McMorran Sports Arena was the practice site for the Northern Husky Hockey Team. Three times a week they could be found there, sometimes at 6:00 in the morning, working hard to make a successful season.

Head Coach Bill Murray and Coach Bob Mattson have spent many hours with the team getting ready for each game. This season their schedule consisted of 22 games, nine of which were at home. Scott McVeigh and Phil Porre were the co-captains. They added leadership and stability to a team with lots of potential. Each member contributed to the cause, and their dedication resulted in an average of five goals per game. The team's enthusiasm and spirit made the games very exciting to watch.

## Northern's Spirited Runners

The 1985 cross-country season was Northern's second year to participate in the sport since it was brought back. Mrs. Joy Buhagiar was coach of the team and did an exceptionally nice job.

This year's team consisted of ten fine, strong athletes. These young men deserve a hand for the long and tiring practices they endured; however, these practices really paid off, considering the more experienced teams they were running against. Their 3-4 EML record has gained them the respect as a great, new, up and coming team.

We are sure that they can make the 1986 season even better; however, we need many more runners, boys as well as girls. Anyone who goes out for this sport is sure to find it truly an experience of a lifetime.

## Strides Above the Rest

The Northern Track Team has done an excellent job in competitions this 1985 school year. One of several outstanding members is John Fleer who pole vaulted 12'6". Chris Williams, Jay Gillespie, Rob Patterson, and Todd Jackson ran the 3200 meter relay in 8.174 seconds. Chris Williams ran the 800 meter run in 1.596 minutes. Todd Jackson ran the 1600 meter run in 4.234 minutes. Northern's top shot-put thrower was Jim Orr with a distance of 41 feet. Ed Parks was our finest competitor in the long jump. In overall competitions the Huskie team placed first in the EML League. We all wish them luck in making next year's season as successful as this year's.

## Track Team Fifth in E.M.L.

The 1985 Northern Women's Track Team started off the season with a bang! By winning three consecutive meets and ending the year with an overall record of 5-5, the women finished fifth overall in the E.M.L. They began the season with many individual goals which helped them keep striving for more than excellence all season long. It was through these efforts that the team was so successful. The team captains were Joanne Schaeffer, Jeanne Weiss, and Kathy Jobbitt. There were three school records set in 1985: Kathy Jobbitt soared over the 300 hurdles in a record breaking time of 48.78; Jeanne Weiss ran off with a time of 59.01 in the 400 meter dash; and the 3,200 meter relay team of Joanne Schaeffer, April Pelc, Kris Spillard, and Sarah Engelgau pulled together with the time of 10:32.0. These individuals and the combined efforts of the team made the '85 season another great one.

## Splashed Through Another Season

Coach Ron Davey led the Varsity Softball Team in 1985. He saw much improvement near the end of the season. The team captains were seniors Kris Pettengill and Kris Schlautmann. The help of their leadership, the team's ability to work together, and their great spirit led them to post a 6-8 E.M.L. record and an 11-13 overall record. Kris Pettengill was the Most Valuable Player. Coach Davey is looking forward to the 1986 season.

## Another Successful Season

The J.V. Softball Team, led by Coach Vetrrese, had an exciting year in 1985. The team's season ended with 8 wins and 12 losses. Their conference record was 6 wins and 6 losses. Team members were real competitors this year and lost several close games. In playing the Port Huron Big Reds, our cross-town rival, Northern suffered a disappointing loss of 14 to 3, but later in the season they met and overcame the Big Reds with a score of 17 to 7. This win put a lot of confidence and pride back into the team late in the season. The team members worked hard throughout the entire season. The team and Coach Vetrrese are looking forward to a fun and exciting 1986 season.

## Strike 'em Out Huskies!

1

Northern's Varsity Baseball Team had a good season. Although they were not able to win the EML championship again, they finished a strong fourth. Their season record was 15-8 and 8-6 in the EML.

Seven school records were broken in 1985: most hits in one game (19), most double plays in one season (14), most consecutive games batted safely (Jim Foltz — 14), most game winning runs scored (Jeff Barrett — 6), most put-outs at right field (Tony Gates — 31), most assists at shortstop (Jeff Barrett — 66), and most assists at left field (Steve Coon — 7).

The EML All League Awards were won by Jeff Barrett (shortstop), Tony Gates (outfield), and Kurt Fritz and Chris King (academic team). Honorable mention included the following players: Mike Kelly, Jeff Mosurak, Les Burley, Jim Foltz, Chris King, and Phil Porte.

The team was coached by Mr. Larry Klink who completed his eighth year at Port Huron Northern.

Front row: A.J. Foltz, Synthia Whitney, Sandy Ellis, Julie Carpenter, Ruth Cochrane, and Mike Guthrie. Middle row: Jim Foltz, Kurt Fritz, Charlie McCorkle, Rod Shogena, Craig Fenner, Chris King, and Jeff Mosurak. Back row: Coach Klink, Jeff Barrett, Steve Coon, Phil Porte, Jim Mathews, and Chris Herber.

# New Things Splash Northern

Everywhere one looks something or someone is new or remodeled. "New" can be found anywhere from in the administration offices to the new sports' building behind the school. With a host of new administrators fearlessly guiding the student body, numerous changes have been instated. The most objected change was the closed campus lunch program started last fall. Other than that, the new staff, consisting of Mr. Goldsworthy, Mr. Chapman, and Mr. Burnell, was enthusiastically incorporated into Northern life. The student parking area has become a safer place with the introduction of a full-time security guard. In addition, the fence on the east end of the building has slowed down the drag races. The library had a facelift when several men spent three days replacing the carpeting. School spirit and awareness were increased with the addition of a lighted sign and school flag in front of the building. All in all, the 85/86 school year saw many neat items added to Northern.

Page 206 1. Has anyone every seen anybody use this bench? 2. Mr. Chapman striking a pose for a future issue of GQ. 3. Finally, a good use for "the fence". 4. A now familiar sight — the Husky flag with Old Glory. 5. Mr. McNeil flashing his smile. 6. Frau showing that "gut" look. Page 207 1. Sports equipment and food are both to be found in this blue and gold addition. 2. Do you have a parking sticker? 3. "Okay, what's the story today?" asks Mr. Burnell as he checks the unexcused box on the blue slip. 4. "Yes, I'm proud to be a part of Northern!!!!" exclaims Mr. G. 5. Mrs. Eastman fondling the new library carpeting.

# Colophon

Port Huron Northern's 1986 Yearbook was printed by Josten's Publishing Co., Clarksville, Tennessee. There were a total of one thousand one hundred fifty books sold, with each book containing 208 pages, including 48 pages in color. The print used was Serif Gothic. Our cover was an original lithograph drawn by David A. Reed of the Port Huron Northern Spirit class. Kimm Massman and John Hale were the editors of the 1986 Spirit, who attended a summer workshop at Oakland University. Our advisor was Evonne VanderHeuvel. The students designed their own layouts, wrote their own copy, and took their own photos. Our book was started during the fall of 1985. The Port Huron Northern Spirit class would like to give special thanks to Dennis and Ilene MacDonald, Jechura Photography, and the Times Herald for the use of their photos. We would also like to thank Larry Thomas who was our Josten's Publishing Co. representative. Finally, the Yearbook staff would like to thank our patrons and advertisers.

1. Mr. Anderson says, "Who will win the Pep Bone next?" 2. Vicki Robinson and Stephanie Dlythe taking time out for a picture. 3. A final goodbye wave to the 1986 year.
